CLASS ACTION SUMMARY

**BROILER GROWERS
ANTITRUST CLASS ACTION SETTLEMENTS**

Case History

In January 2017, a class action lawsuit was filed in the Eastern District of Oklahoma alleging the Defendants and their co-conspirators engaged in conduct to suppress Broiler Grower compensation below competitive levels in violation of U.S. federal antitrust laws. Since then, the class has reached settlements with some of the Defendants in the total amount of \$69 million (the details of which are noted below). The litigation is currently ongoing against Pilgrim and it is possible that additional funds may become available to the Class as the result of a trial or future settlement.

First Round of Settlements: The First Round of Settlements with Tyson (\$21 million) and Perdue (\$14.75 million) totaled \$35.75 million and the claim filing deadline was April 10, 2022. These funds were distributed.

Second Round of Settlements: The Second Round of Settlements with Koch totaled \$15.5 million and the claim filing deadline was February 6, 2023. Distribution of these funds will occur at a future date.

Third Round of Settlements: The Third Round of Settlements with Sanderson (\$17.75 million) received final approval. The claim filing deadline was December 13, 2023. Distribution of these funds will occur at a future date.
