---

**Eligible Class Members:** All persons or entities (excluding federal, state or local governmental entities) that, from March 1, 1995 through November 25, 2007, indirectly purchased in an "Eligible Jurisdiction" (as defined below), for their own use and not for resale, "CRT Products," which are cathode ray tubes of any type (including color display tubes, color picture tubes and monochrome display tubes) and finished products that contain cathode ray tubes (such as televisions and computer monitors) manufactured and/or sold by any of the "Defendants" (as defined below) or their alleged co-conspirators. You purchased "indirectly" if you purchased from any entity other than a Defendant or alleged co-conspirator, that is, from an intermediary, such as a retail store or supplier.

**"Defendants":** 1) Chunghwa; 2) LG; 3) Philips; 4) Panasonic; 5) Hitachi; 6) Toshiba; 7) Samsung SDI; 8) Thomson; 9) TDA; 10) Mitsubishi; and 11) Irico. There are several other manufacturers and sellers of CRT Products who were not named as defendants but were alleged to be co-conspirators with respect to this litigation. *Sony Corporation is not a Defendant and is not alleged to have participated in the alleged conspiracy. Purchases of Sony® branded CRT Products are not eligible to be included in claims filed in this settlement.*

**"Eligible Jurisdictions":** AZ, AK, CA, FL, HI, IA, KS, ME, MA, MI, MO, MN, MS, MT, NE, NV, NH, NM, NY, NC, ND, OR, RI, SC, SD, TN, UT, VT, WV, WI and the District of Columbia. The class periods for HI, NE and NV begin after March 1, 1995. Purchases in MO, MT and RI must be primarily for personal, family or household purposes; in addition, only natural persons in RI are eligible.

**Case History:** Several class actions were filed in 2007 alleging that the Defendants conspired to raise and fix the prices of CRT Products, which resulted in overcharges to consumers who purchased CRT Products. These class actions were consolidated in the Northern District of California. The Court has granted final approval to settlements with Defendants Chunghwa, LG, Philips, Panasonic, Hitachi, Toshiba, Samsung SDI, Thomson and TDA in the amount of \$576,750,000 (the "Prior Settlements"). The claim deadline for the Prior Settlements was December 7, 2015. Late claims for the Prior Settlements are no longer being accepted.

**The \$33,000,000 settlement with Mitsubishi is the subject of this Summary (the "Mitsubishi Settlement").** As a result of the pending appeals to the Prior Settlements, the motion for preliminary approval of the Mitsubishi Settlement was withdrawn and will not be refiled until the Prior Settlements are finally approved. Accordingly, proof of claim forms are not yet available for the Mitsubishi Settlement. If you submitted a proof of claim form for the Prior Settlements, you will not need to file another one to recover from the Mitsubishi Settlement unless you want to supplement that claim (e.g. with purchases in one of the nine (9) states (AR, MA, MO, MT, NH, OR, RI, SC and UT) that were not included in the Prior Settlements.

The litigation is ongoing against Irico. If a settlement or other favorable resolution is reached with Irico, there may be additional funds available to eligible class members who filed claims.
