## Case History

Since 2019, class action lawsuits were filed in the Northern District of Illinois alleging that Surescripts offered loyalty contracts to monopolize the E-Prescription Routing market and entered into agreements with the other Defendants that resulted in inflated prices for Surescripts' services in violation of federal antitrust laws. At this time, the class entered into: 1) a "First Round of Settlements" with RelayHealth in the amount of \$10 million (this settlement received final approval and the class period for this settlement ends on April 19, 2021); and 2) a "Second Round of Settlements" with Surescripts and Allscripts in the amount of \$39.75 million (this settlement is pending final approval). The deadline to file a claim for the First Round of Settlements has now passed. The settlement funds (less any expenses and fees) will be distributed to eligible class members if and when final approval is granted for the Second Round of Settlements and a claims process is completed.

**The Services FRS Provides:** Financial Recovery Strategies (FRS) is a class action claims management consultant; we are not a court appointed claims administrator or class counsel. If you hire FRS, FRS will work within your guidelines to manage the claims process. The services that FRS provides include the following: (i) notifying you when we believe that you may be eligible to participate in settlements likely to be valuable to you; (ii) endeavoring to enhance the likelihood that all of your eligible business units (e.g., subsidiaries, divisions, acquisitions and divestitures) are included in the claims process; (iii) to reduce the support needed from your in-house staff, providing advice on what, if any, documents need to be collected and maintained, and, when requested, assisting in that effort; (iv) when required documents are not available or are too burdensome to collect, attempting to develop innovative alternatives to satisfy documentation requirements and striving to obtain approval of those alternatives; (v) preparing, assembling and submitting your claim package, and managing it throughout the claims processing phase, including working with you to address any concerns or questions claims administrators may have; (vi) providing regular updates on the recovery process; (vii) reviewing your payment to assure that it has not been under calculated; and (viii) following up with you to assure that your recovery check is deposited. FRS's recovery specialists are always available to answer any questions you may have.

**How to Retain FRS:** If you wish to hire FRS to file and manage a claim on your behalf, you must return a signed Claims Management Agreement and a signed Authority to File and Manage Claims. Before doing so, it is important that you understand their terms and make sure that all information about you is correct.
