CLASS ACTION SUMMARY

MULTIPLAN HEALTH INSURANCE PROVIDER ANTITRUST CLASS ACTION

Case History

In 2024, class action lawsuits were filed alleging the Defendants formed a horizontal agreement, combination, conspiracy, or common understanding in which they artificially suppressed the rate paid on out-of-network healthcare service reimbursement claims throughout the United States in violation of federal antitrust laws. These lawsuits were consolidated in the Northern District of Illinois (Eastern Division). It is impossible to predict the outcome, but money may become available to eligible class members if the class is certified and settlements are reached with one or more of the Defendants in the future. FRS will update this Summary as the cases progress and new information becomes available.

The Services FRS Provides: Financial Recovery Strategies (FRS) is a class action claims management consultant; we are not a court appointed claims administrator or class counsel. If you hire FRS, FRS will work within your guidelines to manage the claims process. The services that FRS provides include the following: (i) notifying you when we believe that you may be eligible to participate in settlements likely to be valuable to you; (ii) endeavoring to enhance the likelihood that all of your eligible business units (e.g., subsidiaries, divisions, acquisitions and divestitures) are included in the claims process; (iii) to reduce the support needed from your in-house staff, providing advice on what, if any, documents need to be collected and maintained, and, when requested, assisting in that effort; (iv) when required documents are not available or are too burdensome to collect, attempting to develop innovative alternatives to satisfy documentation requirements and striving to obtain approval of those alternatives; (v) preparing, assembling and submitting your claim package, and managing it throughout the claims processing phase, including working with you to address any concerns or questions claims administrators may have; (vi) providing regular updates on the recovery process; (vii) reviewing your payment to assure that it has not been under calculated; and (viii) following up with you to assure that your recovery check is deposited. FRS's recovery specialists are always available to answer any questions you may have.

How to Retain FRS: If you wish to hire FRS to file and manage a claim on your behalf, you must return a signed Claims Management Agreement and a signed Authority to File and Manage Claims. Before doing so, it is important that you understand their terms and make sure that all information about you is correct.
