**Antitrust Class Action**

***This is not an official Court Notice. Information contained in this Summary is subject to change.  
There is no monetary settlement at this time.***

If you or your business directly purchased television advertising in the United States on or after **January 1, 2014**, an antitrust class action lawsuit alleging price fixing may affect you.

---

**Eligible Class Members:** If certified, eligible Class Member are all persons and entities in the United States who or which, from January 1, 2014 to the present, purchased broadcast television spot advertising (i.e., television advertisements purchased directly from broadcast television stations, as opposed to cable operators) from one or more "Defendants" (listed below) in a designated market area within which two or more of the Defendants sold broadcast television spot advertisements on broadcast television stations and who paid one or more Defendants directly for all or a portion of the cost of such broadcast television spot advertisements, or any current or former subsidiary or affiliate of a Defendant.

**"Defendants":** CBS Corporation, Cox Media Group, LLC, Dreamcatcher Broadcasting, LLC, The E.W. Scripps Company, Griffin Communications, LLC, Fox Corporation, Katz Media Group, Inc., Meredith Corporation, Nexstar Media Group, Inc., Gray Television, Inc. (through its acquisition of Raycom Media, Inc.), Sinclair Broadcast Group, Inc., TEGNA, Inc., Tribune Broadcasting Company, LLC, and Tribune Media Company.

**Case History:** In 2018, several class action lawsuits were filed alleging the Defendants shared competitively sensitive sales data, which they used to fix, raise, stabilize or maintain television advertising prices in the United States in violation of federal antitrust laws. It is impossible to predict the outcome, but money may become available to eligible class members if the class is certified and a settlement is reached with one or more of the Defendants in the future. FRS will update this Summary as the case progresses and new information becomes available.

**If a monetary settlement is obtained, information about it will be available from Class Counsel.  
You also may visit the court approved website once one is established.**

***Please understand that you have the right to file on your own if and when there is a monetary settlement.***

**The Services FRS Provides:** Financial Recovery Strategies (FRS) is a class action claims management consultant; we are not a court appointed claims administrator or class counsel. If you hire FRS, FRS will work within your guidelines to manage the claims process: FRS will notify you when we believe that you may be eligible to participate in valuable settlements; we will take action to assure that all of your eligible business units (e.g., subsidiaries, divisions, acquisitions and divestitures) are included in the claims process; to reduce the support needed from your in-house staff, FRS will provide advice on what, if any, documents need to be collected and maintained, and, when requested, will assist in that effort; when required documents are not available or are too burdensome to collect, FRS will attempt to develop innovative alternatives to satisfy documentation requirements and then negotiate on your behalf to obtain approval of those alternatives; FRS will prepare, assemble and submit your claim package, and manage it throughout the claims processing phase, including working with you to address any concerns or questions the claims administrator may have; FRS will provide regular updates on the recovery process; FRS will review your payment to assure that it has not been under calculated; and FRS will follow up with you to assure that your recovery check is deposited. FRS's recovery specialists are always available to answer any questions you may have.
